80 Days Around the World

Tastes to transport you

On 2 October 1872, Jules Verne's headstrong hero, Phileas Fogg, staked a small fortune - and his reputation – in a wager with his peers at London's Reform Club. Betting them he could circumnavigate the globe in 80 days, he embarked on a whistle-stop tour of the world - raising eyebrows, seeking adventure and confounding expectations in a riveting race against time.

Our "80 Days Around the World" Afternoon Tea takes its inspiration from Fogg's electrifying exploits, celebrating his achievements and escapades with a stunning selection of amazing amuse-bouches, sensational sandwiches and divine desserts from around the world.

Kensington Teas

Choosing the perfect refreshment is vital to delivering our iconic Afternoon Tea. The Rare Tea Company is an independent tea brand based in London. Founded in 2004 by Henrietta Lovell, it sources and supplies the world's very best teas. Henrietta travels the globe seeking out tea-gardens who are developing the most delicious leaves. By sourcing directly from the farmers, she secures unique harvests and ensures that they are crafted using sustainable practices to benefit both the land and the people who live on it.

Many of these teas are very rare, with only a few kilos produced each year. Others can be grown on a larger scale. All of them are developed by skilled men and women on independent farms, and we are proud to serve them within our hotel.

Black Tea

BLACK TEA is crafted to reveal the strongest and deepest flavours. These black teas have been traditionally hand-crafted in small batches with great care to preserve their wonderful subtleties of flavour.

SINGLE ESTATE ENGLISH BREAKFAST

Satemwa Estate, Shire Highlands, Malawi

Hand-crafted black tea from a small, independent estate in the Shire Highlands. The oldest tea estate in Malawi and still family run. Deep, rich and malty, it has notes of caramel and burnt sugar. Delicious black, becoming sweet and chocolaty with the addition of milk.

EARL GREY

Satemwa Estate, Malawi and Reggio Calabria, Italy

An elegant black tea scented with pure Calabrian bergamot. This is a classic British tea made to exacting standards. A clean and exceptionally bright infusion with exhilarating citrus notes. It can be served with or without milk, or a twist of lemon zest.

CLOUD TEA

Lakysiew Garden, Meghalaya, India

A fragrant black tea from the “Abode of Clouds” high in the cloudy hills between Assam and Darjeeling. Light and floral as a Darjeeling with the rich caramel and malty notes you get from the best Assam. This harvest has exceptional notes of apricot. Best enjoyed without milk.

Green Tea

GREENTEA has as many subtleties of flavour as the finest of wines. Great skill is required to unlock the flavours hidden in the tea leaf, often using traditional methods passed down for thousands of years. The best are elegant and exquisite, worlds away from industrially made bitter brews. The expert development by the growers allows the sweet, fresh, green flavour of the leaves to be maintained.

DRAGONWELL

Hangzhou, Zhejiang Province, China

The most succulent and fragrant of green China Teas. Picked in the early Spring before the first rains, it has a fresh sweetness with rich green vegetal flavours and a subtle note of hazelnuts.

GENMAICHA

Shizuoka, Japan

Top grade Sencha with organic Japanese toasted brown rice.

Unlike other Genmaicha, it's a superior Sencha grown in Shizuoka by Moriuchi san. It has rich, vegetal notes of buttery asparagus, a popcorn like aroma and flavour from the brown rice.

White Tea

WHITE TEA is the least processed of all teas. The young leaves and buds are all picked in spring and simply dried in the warm mountain sunshine. They share very delicate flavours and contain the highest level of antioxidants.

JASMINE SILVER TIP TEA

Fuding, Fujian Province, China

A delicate white tea crafted entirely from spring buds. The tea is not flavoured but carefully scented over six consecutive nights with fresh jasmine flowers, and was once the preserve of only the Chinese Imperial family. A deep and heady aroma with a light and gentle flavour.

Herbal Infusions

HERBAL TEA is not strictly 'tea' because all tea comes from the leaves of camellia sinensis. They are infusions of the leaves and stems of different herbs. These herbal infusions contain no additives or flavourings and are naturally caffeine-free.

ENGLISH CHAMOMILE

Tregothnan Estate, Cornwall, UK

Grown in a botanical garden on the Tregothnan Estate in Cornwall, these flowers are tenderly picked with delicate blossoms and long stems, which add hay flavours. The aroma is of English summer meadows. These chamomile flowers are extraordinarily sweet, pure and aromatic.

WILD ROOIBOS

Cederberg Mountains, South Africa

The real South African Red Bush. Beyond organic, this Rooibos is harvested completely wild in its indigenous habitat. A richly delicious infusion with deep earthy notes, bright red berries and cedar. Can be beautifully enhanced by the addition of honey or maple syrup and a twist of lemon zest.

MALAWI SPEARMINT

Satemwa Estate, Malawi

The most elegant of mints, these gentle leaves make a remarkably smooth, well rounded infusion. Grown on the rolling, green hills of Malawi; they have a delicate softness while still revealing intense layers of flavour.
