V Vegetarian | VE Vegan

*Our beef is matured on the bone for a minimum of 30 days and is sourced from British heritage breeds reared in Surrey, Cornwall, Scotland and The Welsh Valleys. We use free-range and Red Tractor-certified poultry from Norfolk and Suffolk. Our fish is a prime Scottish sustainable salmon fillet, cured and smoked by Chapel and Swan at their smokehouse in Exning, whilst our cheese is sourced from Paxton & Whitfield, based in Jermyn Street. Our trusted fruit and vegetable suppliers work closely with British producers and source all of our seasonal produce for our menus, forming a 'field to fork' relationship with chefs. We use Bailies Coffee, an ethical, and sustainable roastery from Belfast, Northern Ireland, which sources coffee directly from their farming partners, and promotes the finest quality. Rare Tea Company is an independent company based in London. Indulge in our exquisite collection of hand-sourced teas, curated by Henrietta Lovell. The company was founded in 2004, by Henrietta Lovell (known as the Tea Lady), to source and supply the world's best loose leaf tea - direct from farmers and their tea gardens.*
