

THE KEN SING TON

There's a sense, on being welcomed through the double-framed doors of The Kensington hotel by a bowler-hatted doorman, of stepping back in time to a more genteel, service-oriented age.

Certainly, the hotel's luxurious white stucco façade – a collection of seven 19th century townhouses in this most chic, cosmopolitan and cultured of London neighbourhoods – and the Victorian grandeur of its high ceilings, heritage décor and open fireplaces evoke something of a bygone era.

Please note that K Bar and The Drawing Room are laptop-free spaces.

KENSINGTON TEAS

Our tea partner, The Rare Tea Company, is an independent tea company based in London. Founded in 2004 by Henrietta Lovell it sources and supplies the world's best tea. Henrietta travels the world seeking out tea-gardens crafting the most delicious leaves, buying directly from the farmers. By sourcing direct from the farms, she is able to secure unique harvests and ensure that they are crafted using sustainable practices to benefit both the land and the people who live on it.

Some of their tea is very rare, with only a few kilos produced each year. Others can be grown on a larger scale. All of them are crafted by skilled men and women on independent farms, not industrially processed by large agri-businesses.
